Dear OM:

As requested in your letter of February 8th, we have forwarded to you, free of charge, fifty copies of the Manual for the War Emergency Service and these should be in your hands shortly.

The items on the MRAC's 25th anniversary of affiliation with ARRL was orginally scheduled for January QST, but because of space limitations we were unable to get this in either the January or February issue. Our Editorial Department informs me, however, that it will appear in March QST. 73.

Sincerely yours,

Lillian M. Salter
